Our Ofsted Report

Excerpts from our latest Ofsted report, March 2024.

“In Reception, children get off to a strong start and flourish. Communication, language and mathematical learning are purposeful. Children are motivated and settled.”

“Strong teaching of reading starts in Reception and continues across school. Children learn sounds through a well-structured approach. They practise using these in books that precisely match the sounds that they know. Phonics teaching is effective. Staff expertly use consistent strategies to help pupils practise sounds and tricky words.”

“Leaders have designed a broad and ambitious curriculum. Detailed plans identify the knowledge, skills and vocabulary that pupils will learn. Planning is carefully sequenced to ensure that pupils build on their learning over time.”

“Relationships are warm and friendly. Expectations of learning and behaviour are rooted in mutual respect. Low-level disruption is rare. Pupils know what is expected of them, work hard and try their best... Pupils know how to focus, self-manage and be empathetic.”

“Personal development is a strength of the school. Pupils thrive, having been provided with an array of enrichment opportunities.”
